

Treasures of Washington, D.C. with LifeLong Learning Society Saturday – June 28, 2025

Lifelong Learning Society presents this SignaTours trip as an opportunity for members to travel together

Get ready for an unforgettable adventure in the heart of Washington, DC's historic Georgetown neighborhood! Today, you'll wander down charming, narrow streets lined with elegant Victorian and Federal-style row houses—homes to some of the country's most influential figures. We've packed this trip with two of the area's most iconic attractions.

First, prepare to be amazed by *Washington's National Cathedral*, a true gem among the city's grand monuments and memorials. Rising higher than the Washington Monument itself, the Cathedral reigns over 57 acres at the highest point in the city, symbolizing America's deep-rooted heritage of religious freedom and faith. Completed in 1990, this Gothic masterpiece is the sixth-largest cathedral in the world. Take a 30-minute guided highlights tour, then enjoy free time to explore the magnificent architecture and visit the renowned gift shops!

Next, indulge in a delicious three-course lunch at *Tony & Joe's Seafood Place*, nestled on the picturesque waterfront of Washington Harbor. The newly renovated restaurant offers breathtaking views of the Potomac River—perfect for a relaxing midday break. Savor a fresh salad to start, followed by your choice of mouthwatering dishes like Chicken Marsala, Broiled Atlantic Salmon, or Grilled Pork Chop. Accompanied by seasonal vegetables, buttered red bliss potatoes, and a zesty Key Lime Pie for dessert. (vegetarian options available upon request).

In the afternoon, journey to *President Lincoln's Cottage*, one of Washington's most historic and inspiring sites. This 250-acre property is where Abraham Lincoln crafted some of the most pivotal decisions in U.S. history, including writing the Emancipation Proclamation. Immerse yourself in a guided tour of the home and explore the Visitor Education Center, filled with fascinating exhibits and videos. If the weather's right, take a leisurely 1.5-mile self-guided walk through the stunning grounds, making stops at nine historic landmarks. This action-packed day promises history, beauty, and unforgettable moments—don't miss it!
