

Fall 2025 Final Exam Schedule*

Use the grid to determine the date and exam period for your course. For example, AMST 100 is scheduled weekly MWF 0800-0850am, the final exam will be offered 1st Period (0800am-1030am) on Monday.

The exam schedule for courses offered on the half hour may be the same as courses during that same time frame offered on the hour. Exams are held in the regularly scheduled room (according to the schedule of classes) unless indicated otherwise.

The Office of the Registrar will identify and resolve any exam conflicts.

In the event an instructor has two final exams scheduled during the same period please contact the Office of the Registrar at (757) 594-7155 or register@cnu.edu to resolve the conflict (please do not contact the Scheduling Office). If a student has more than two final exams scheduled on the same day, the concern should be directed to the student's instructor to request to have the additional examinations rescheduled. Such requests must be directed to the instructor(s) a minimum of one week before the final exam period begins. Such conflicts should be resolved using the conflict resolution period, or by other arrangement (per University policy available in Section VI of the 2025-2026 University Handbook, Academic Regulations and Information).

*Please note that the semester may be extended due to unforeseen postponements.
